

# Kane County Board *Accomplishments*

## **Solar Fields**

Will save a quarter of a million dollars a year for 10 years.

## **New Voting Machines**

Important for election integrity and will save Kane County money.

## **Green Building Policy**

Efficiency guidelines for new construction.  
Good for the environment!

## **Long Meadow Parkway Toll Removed**

Saves ALL of Kane County tax payers over \$30 million in bond payments.

## **Gun Safety Lock Program**

Voluntary program to protect against accidental shootings.

## **Created Specialty Courts**

Provides second chance and reduces recidivism.

## **Mitigate Flooding Special Areas**

Less flooding leads to less property damage and increased safety.

## **Farmland Preservation Program**

Preserved hundreds of acres of fertile farmland in Kane County.

## **Cares Act/ARPA Money Distribution**

Reinvested millions in the community to protect small businesses and valuable community organizations.

## **COVID-19 Mass Vaccinations**

Administered tens of thousands of vaccines to county residents.

## **Pet Vaccination Program**

Reduced fees for pet owners, lower cost for seniors. Rabies vaccines helps protect residents.

## **Responsible Bidder Ordinance**

Pre-qualifies contractors to ensure quality work and cost savings for county.

**Democrats have been hard at work helping everyone!  
Vote BLUE in November so they can do even more!**
