

# Historic Democratic Accomplishments

## \*\* 2021-2024 \*\*

Democrats in Washington D.C. have made extraordinary progress since they took office, getting to work right away to deliver for hardworking American families. Since then, they've continued to pass historic legislation and policies that benefit every American — and they'll keep fighting for the democracy and fundamental freedoms that we deserve.

### **The American Rescue Plan**

Jump started the economy to recover from the pandemic and reopen schools.

### **Justice Ketanji Brown Jackson**

Appointed Justice Ketanji Brown Jackson, the first Black woman to ever serve on the Supreme Court.

### **The Chips and Science Act**

Bringing manufacturing back from overseas and creating good-paying union jobs here at home.

### **Signed Marriage Equality into Law**

The Respect for Marriage Act enshrined marriage equality for same-sex and interracial couples into federal law.

### **Student Debt Relief**

Canceled billions in student loan debt for millions of Americans, plus the largest increase in Pell Grants in over a decade.

### **Historic Climate Action**

The most aggressive climate agenda in American history through investments in clean energy.

### **Bipartisan Infrastructure Law**

Rebuilding our nation's roads and bridges, upgrading our public transit, cleaning up pollution, and providing high-speed internet to every American.

### **Protecting the Affordable Care Act**

Protected and strengthened the Affordable Care Act.

### **Safer Communities Act**

The most significant gun violence prevention legislation in 30 years.

### **Expanded Health Care for Veterans**

The most significant expansion of benefits and services for toxic-exposed veterans in more than 30 years.

### **Criminal Justice Reform**

A landmark executive order to promote safe and accountable policing.

### **Protected Reproductive Rights**

Issued executive orders to preserve access to reproductive care and protect the right to travel across state lines to receive care.

### **World Support of Ukraine**

Rallied the world to stand with Ukraine, defend democracy, and stand up to autocracy.

### **Inflation Reduction Act**

Landmark legislation to bring down costs for families, lower prescription drug prices, and make historic investments in American clean energy jobs and manufacturing.

**Democrats have been hard at work helping everyone!**  
**Vote BLUE in November so they can do even more!**
