

Democratic Illinois State Officials Working Hard for Everyone ** 2023-2024 **

The Democratic officials you elected have been hard at work serving all the residents of Illinois. Here are some notable achievements from the last two years!

Balanced Budgets

Enacted balanced budgets every year and received credit upgrades for the first time in two decades, lowering interest rates and improving Illinois' finances.

Improved State Finances

Improving state finances, assisting Illinois universities and community colleges in achieving credit rating upgrades.

Reformed Pensions

Reformed police and firefighter pension funds to increase assets and reduce the burden on property taxpayers.

Banned Assault Weapons

Banned assault weapons and removed dangerous "ghost guns" from the street, expanded expressway cameras, and invested in the largest trooper class in Illinois State Police history.

Reproductive Health Act

Passed the Reproductive Health Act and other legislation protecting access to reproductive healthcare for all who need it.

Eliminated Grocery Tax

Eliminated the Grocery Tax, saving consumers on grocery bills.

Paid Down Bill Backlog

Paid down the state's bill backlog and eliminated late bill payment, saving taxpayers hundreds of millions of dollars in interest.

Increased K-12 Funding

Increased state funding of K-12 education while expanding early childhood education and childcare and awarding more college scholarships to Illinois students.

Modernized Infrastructure

Made strategic bipartisan investments to modernize roads, bridges, schools and broadband - investing for the future while creating and supporting good jobs now.

Climate and Equitable Jobs Act

Passed the Climate and Equitable Jobs Act, committing to a sustainable future for Illinois.

Healthcare Protection Act

Passed the Healthcare Protection Act, which bans insurance companies from denying access to critical healthcare.
